### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Robert Hightower on 05/11/05.

The application has been amended as follows:

Non-elected claims 8-20 have been canceled.

The following is an examiner's statement of reasons for allowance: the prior art, either singly or in combination, fails to anticipate or render obvious, the limitations of: forming on the substrate a second doped region of the second conductivity type having a second periphery wherein a portion of the second periphery is juxtaposed to the first portion of the first periphery and has a third contour that is shaped the same as the first contour and wherein the second doped region is a source of the first MOS transistor, and forming on the substrate a third doped region of the second conductivity type having a third periphery wherein a portion of the third periphery is juxtaposed to the second portion of the first periphery and has a fourth contour that is shaped the same as the second contour and wherein the third doped region is a source of the second MOS transistor, as required by independent claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Richard A. Booth whose telephone number is (571) 272-1668. The examiner can normally be reached on Monday-Thursday from 7:30-6:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Michael Lebentritt can be reached on (571) 272-1873. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
